

Wednesday, December 2, 2015: The Islamic Society of Greater Oklahoma City Condemns the Mass Shooting at Inland Regional Center

The Islamic Society of Greater Oklahoma City joins the nation in condemning the senseless violence, and mourn the loss of innocent lives, in yet another mass shooting at the Inland Regional Center in the city of San Bernardino.

We extend our sympathies and prayers to those who were senselessly killed, and their families. We ask the Most Compassionate God to grant a full recovery to the injured, and to bless them with patience and strength.
